VRC NAME Kyle Pletz

DATE COMPLETED 10/19/04

VRC NAME Jeff Casem

DATE REVIEWED 5/9/08

WORK HOURS Vary; general hours 7:00AM-3:30PM. During emergency conditions the employee shall be required to work 12 hours on and 12 hours off, as needed.

OVERTIME (Note: Overtime requirements may change at the employer's discretion)
Does not occur.

JOB DESCRIPTION

Stores Clerk's primary duties include using a computerized inventory information system for ordering, receiving, issuing and inventorying vehicle and heavy equipment parts, building and road construction materials, hardware, tools and safety supplies and traffic control devices in support of Fleet Administration, Roads Maintenance, Traffic Operations, and other agencies. Duties may entail rotation of assignment to facilitate cross-training, store coverage during absences or long term emergency situations.

ESSENTIAL ABILITIES FOR ALL KING COUNTY JOB CLASSIFICATIONS

1. Ability to demonstrate predictable, reliable, and timely attendance.
2. Ability to follow written and verbal directions and to complete assigned tasks on schedule.
3. Ability to read, write & communicate in English and understand basic math.
4. Ability to learn from directions, observations, and mistakes, and apply procedures using good judgment.
5. Ability to work independently or part of a team; ability to interact appropriately with others.

6. Ability to work with supervision, receiving instructions/feedback, coaching/counseling and/or action/discipline.

JOB SPECIFIC REQUIREMENTS

This position requires operating forklifts and County Vehicles. A high school diploma or GED and at least two years applied experience working in an automotive operation using a computerized inventory operating system or the equivalent combination of education and experience. Computer skills, analytical skills and excellent attendance are required. Must be able to rotate and be cross-trained in all areas and locations to ensure effective coverage during absences or long term emergency situations. All employees must assist other staff when requested. All transactions are interfaced with the King County main frame accounting system so strong analytical skills are required. Must have a valid Washington State driver's license. Must obtain a forklift operator certification within 6 months of hire.

ESSENTIAL FUNCTIONS

1. Manages inventory warehousing disbursements; documents and sets stock levels; processes inventory purchases; performs cycle counts and physical inventory audits; performs warehouse shipping and receiving; and is responsible for material handling.
2. Maintains adequate stock to meet user needs.
3. Obtains price quotes, researches vendor sources and selects vendors for standard and specialized parts, materials, supplies, tools and services.
4. Works with vendors to resolve problems such as billing inconsistencies, quantity or product errors and contact interpretation.
5. Assists with and reviews bid specifications.
6. Monitors blanket purchase order expenditures.
7. Researches alternative sources.
8. Conducts price comparisons to support cost savings for King County.
9. Identifies and recommends strategies for surplus, sale and salvage of obsolete inventory items.
10. Assist with training newly hired inventory/purchasing specialist in same classification in Fleet Stores procedures.
11. Monitors the use, storage and handling of hazardous materials.
12. Plans production and allocates resources for in-house manufacturing process.
13. Tracks warranties and supporting documents.
14. Independently performs all functions for the assigned Stores Operation.

PERSONAL PROTECTIVE EQUIPMENT USED

Gloves, back support, and hard soled shoes.

OTHER TOOLS & EQUIPMENT USED

Forklifts (electric and fuel powered), pallet jack, hand truck, computer, ten key, fax, phone, photocopy machine, printer, cellular phone, pallets, pipes, catch basins, Roads crew equipment, lumber, 55 gallon drums, paint, pipe bands, pipes, concrete masonry, sign posts, hay bails, automotive equipment and various safety supplies and equipment.

PHYSICAL DEMANDS AS JOB IS TYPICALLY PERFORMED

Continuously = occurs 66-100% of the time

Frequently = occurs 33-66% of the time

Occasionally = occurs 1-33% of the time
Rarely = may occur less than 1% of the time
Never = does not ever occur (such demands are not listed)

Highly Repetitive = Repeating the same motion every few seconds with little or no variation for more than two hours total per day.

This job is classified as

Heavy—exerting 50-100 pounds of force occasionally, and/or 25-50 pounds of force frequently, and/or 11-20 pounds of force constantly to move objects.
